

Model RX54

WALKER

Fast, Easy, Beautiful Mowing

WALKER RX54 (54" SD DECK)

The Model RX is the perfect mower for residential and commercial properties, combining commercial grade durability with all-day comfort in a compact, agile package. It delivers the same smooth, quiet, and reliable performance operators expect, with great versatility and ease of use, from other commercial mowers in the Walker range.

This is achieved through a combination of upgrades: commercial-grade transaxles enable use by contractors for high-demand properties; a well-cushioned comfort seat enhances operator comfort; 20-inch drive tires provide superior traction on diverse terrains, coupled with spread axle tail wheels add exceptional stability and a smooth ride; and integrated headlights ensure safe operation during low-light conditions.
